Detailed information was presented by Aja regarding Swiss Miss. 10 girls are trying out, trophies have been ordered, sashes and flowers are being ordered. Aja reiterated the objective of Swiss Miss is to keep the girls grounded and to have them focus on community service, representing the city of Midway. It is a great confidence builder even for the girls that don't win. Not sure of condition of float, grass may need to be fixed, possible store it in a lean to for protection. Aja has done a remarkable job with Swiss Miss.

Lynn Raymond discussed Swiss Days and the vendor selection meeting on March 6th. Brief discussion about working together and timing.

Brenda Hines discussed the flower baskets and the different bids received. Karla was going to get flowers ordered for the baskets.

Chip Maxfield led a discussion about the officers for this year. We will hold an election in November to nominate officers and then vote. Chip asked for nominations for the current year for the different officers. After nominations and voting the following are the officers for 2014. Committee discussed getting donations from outside people/organizations to help cover some of the larger expense items, mainly the cannery improvements etc. Chip suggested that Craig Simons be put in charge of finding sponsors and being on a fundraising committee.

Committee discussed Creche. Doug met with President Nelson who gave his full support of the crèche and making sure enough volunteers were available to assist. Talked about the food during Swiss Christmas and the need to make more money off of the food. The possibility of the Relief Society to make some baked goods to be sold was mentioned. Kathey was going to look into it further.

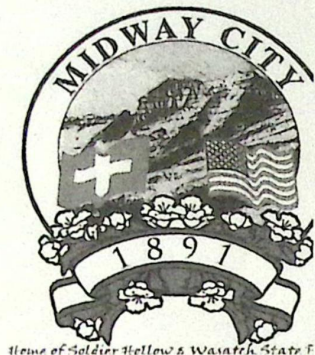

May 26 is the Memorial Day service. Dean working on getting the guest speaker.

The Swiss Belles don't have a leader yet.

A decision was made to nominate the Salazars to be on the committee.

Discussion about the windows at the cannery. Stained glass window sketches were in the works and a bid had been secured for the windows. Fred asked for a vote for a go-a-head on the windows in the amount of \$11,500 +/- 10%. Fred made the motion, Dean gave a 2nd.

SWISS DAYS BASICS

The origin of the Swiss Days event dates back to the 1940's when it was called Harvest Days. The surrounding farmers and ranchers would gather together in celebration of a bountiful harvest.

Over the years Swiss Days has grown into a major event attracting tens of thousands of visitors to our high mountain village. What began as a feast among neighbors has become a traditional not-for-profit community celebration. We commemorate the region of Switzerland where our founding ancestors were born with food, music, crafts and dance and good old fashioned fun.

It is a two day event held on our town square over Friday and Saturday of Labor Day weekend featuring 180 vendors, with food booths, a designated kid friendly recreation area, continuous top-notch entertainment, and amazing Chuck Wagon type breakfast, an exhilarating 10K race through the streets of our

little town, a family friendly Saturday morning parade down Main Street, and every year our much-anticipated BBQ Dinner Feast! We even have our very own Swiss Miss royalty to reign over the festivities.

There are opportunities for everyone young and old in our community to participate and contribute to the success of our Swiss Days festival every year. It is a massive undertaking to prepare for this event and every year our success depends on the volunteering hands from all of our neighbors. The planning and preparation begins months ahead of time which includes the making of delicious sauerkraut to a variety of specialty baked goods and treats like our traditional Swiss Braided Bread. We invite you to come join us and lend a helping hand along with your neighbors and friends to make this year's event another smashing success!

The proceeds are managed by the thirty members of the Midway Boosters. The funds are used to sponsor a variety of local projects and improvements such as donations for emergency equipment, educational programs for the youth, maintaining and beautifying the Town Hall and Main Street as well as supporting other local celebrations throughout the year.

We invite you to join with us and catch the amazing cultural fever of Midway's famous pride and joy, "Swiss Days".

Be sure to check out our website for more information and details about this year's celebration: <https://midwayswissdays.com>.

A vote was taken and it was unanimously agreed to select Randon and Gayle Wilson as this years recipient. A discussion was also had about the confidentiality amongst the Boosters Committee and that when things are discussed or voted on it is to remain confidential. A concern was raised regarding information from the April meeting was leaked out and discussed inappropriately. Open and frank discussions should be able to take place in the committee meetings.

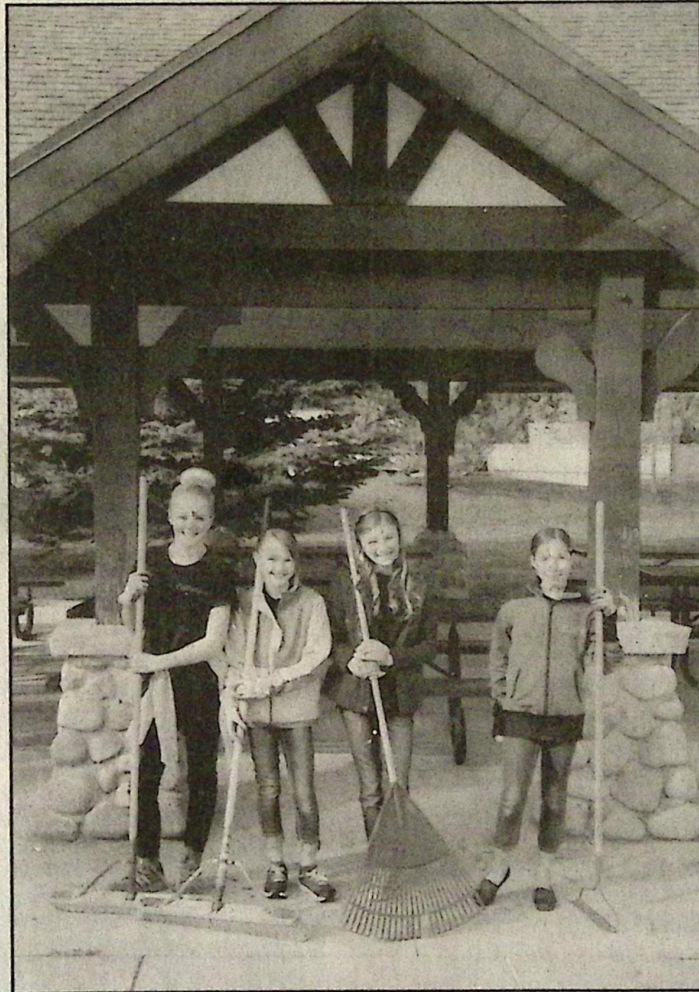

2 guests from the Veterans Memorial Hill came to discuss needs there. New flag poles are needed, they don't raise properly and need to be replaced or fixed, also some new lights are needed. The cost is approx. \$4-5k per year. No money is allotted from anywhere for this except individual donations. They are putting together a proposal of monetary needs and will be given to the Boosters Committee for review. A discussion was had about putting the money that is usually spent on hats to go towards the flag poles instead.

The Memorial Day Veterans recognition event will be held May 26th at the Events Center.

Meeting was adjourned and the next meeting will be held on Thursday, June 12, 2014 at 7:00pm.

Governor Herbert returns to Midway for July 4th celebration

Governor Gary Herbert and Cary Hobbs

BY CARY HOBBS

Special to the Wave

Here's the perfect start for your Fourth of July. Governor Gary Herbert will return to Midway to be the keynote speaker for the Small Town Fourth of July celebration sponsored by the Midway Boosters Association. The Governor says he "loves" Midway, and is, in fact, a frequent visitor to our little Mountain Village.

The program begins at 7AM outside on the Midway Town Square and will feature music by the Swiss Chorus, the Swiss Belles, and the Swiss Miss Court with lots of patriotic activities and fervor to boot. Following the program you're invited to the breakfast on the town square and the Plein Air Paradise art exhibit next door in the Town Hall... along with the many other events of The Small Town Fourth Celebration around Midway. Before the program, listen for the traditional cannon fired from atop Memorial Hill in Midway at 6 AM (be sure to alert your dog in advance of this event!).

4TH OF JULY

Come and join us for another wonderful Small Town Fourth of July in Midway!

July 4th will start with a 6:30am wake up cannon blast which calls all residents to a Sunrise Service on Town Square. Our featured speaker this year is Utah Governor Gary Herbert. Several heritage events will be taking place at the Community Center as well:

Midway Beginnings: Stories, artifacts and photographs bring the past to life as John Besendorfer shares his knowledge.

Mining and Midway: Original slide presentation by Jerry Springer on local mining activities.

Antique Tractor Display: Restored or working tractors dated from the 1940's will be on display in the parking lot on Town Square.

The day will culminate at dusk with the annual fireworks display over Memorial Hill.

ADDITIONAL EXTENDED ACTIVITIES

HIGH VALLEY ARTS will be presenting their stage production of Oklahoma! June 27th through July 12th at their beautiful outdoor theater.

MIDWAY ART ASSOCIATION's 9th Annual Plein Air Paradise takes place June 27th – July 5th and is the largest painting competition of its kind in Utah. Events include timed "paint-outs" in Heber & Midway as well as a "Quick Draw" where artists paint a finished canvas in 90 minutes. For more information visit our website at:

Midway 4th of July BREAKFAST: Town Square

Wilsons honored by Midway City

Randon and Gayle Wilson were recently chosen as the 2014 Midway City's Honored Citizens. They were honored in a ceremony at the City's 4th of July celebration and will also be honored at this year's Swiss Days celebrations.

Randon and Gayle built a 'get away' home on Farm Road in Midway in 1978 just after the birth of their sixth and last child. Both have active participates in every Swiss Days festival, Swiss Christmas and July 4 celebration since 1978.

They moved to Midway full time in 1999 and built a new home on Farm Road in 2002. They were elected to the Board of Midway Boosters where they served two terms. They coordinated the start of Booster Merchandising and have designed all the pins in the Swiss Days pin collection as well as some of Midway's Olympic pins. They helped to found Midway Heritage Foundation,

which negotiated the acquisition of the land for Midway's present grocery store, and published several books and pamphlets on the history of Midway.

They assisted in the founding of Midway Heritage Quilt Guild and Thursday Thread Quilt Guild, both of which meet monthly in their home.

In addition they were instrumental in the founding of

Seasons of Home Gift Shop and continue to work for the betterment of Midway and its citizens.

They are proud parents of six children, grandparents of 27 grandchildren and three great-grandchildren, all of whom love to come to their homestead on Farm Road.

Midway City wishes to thank Randon and Gayle for their long history of service to the community.

Meeting brought to order by Doug.

Invocation offered by Fred.

Charleen Wilson of the Swiss Chorus gave a presentation which included a brief history about Swiss Days/Chorus, expressing a desire to possibly getting a professional director & recruit more locals to the choir.

Marilyn Larsen – playing piano for the 4th celebration, needs to be real piano not a keyboard.

Cary Hobbs introduced 4 of the scholarship recipients. Alex Pierce, Whitney Kratz, Jodi Hoover and Sydney McMatters.

Flowers are being watered by the city and are looking great.

Kevin remarked about the Swiss Days committee chair and announced the nomination of Doug Gray to be the 2015 Committee Chair and Kim Hoover to be the 2016 Committee Chair. He asked for a sustaining vote and ratification of these men. Voting was unanimous.

A discussion was held about the Memorial Hill funding. It was proposed to give them \$2k from the budget each year to make necessary improvements and repairs. Voting was unanimous.

Jack gave update on 4th of July – Wilsons being presented as the honored citizens, the facilities are all arranged, Fred is checking on the flags and banners, it was agreed to hire a few men to setup and take down the risers. Program for the celebration is all set, sound system arranged, room arranged at Zermatt for the Governor and his wife along with dinner at Simons Restaurant. Piano will need to be tuned after it is moved to the pavilion as well as when it is returned to the community center, Grant Patch will be asked to do this. Items to be taken care of: write up in newspaper, churches etc.

July 12th Joshua Creek will be at the outdoor concert series at the Homestead. These are free events and are great for the community.

Hoovers – Swiss Christmas: Sound system combine bid with Swiss Days, William Tell puppet show arranged, good progress is being made.

Natali – Parade: starting to receive applications, we will allow approx. 75 entries, working on contacting Lloyd with any questions.

Fred – Cannery: a request was made to use the cannery to prepare a luncheon, it was agreed that we don't want to go that direction for use of the cannery. Getting lead test done on paint, want to get the big room and kitchen painted first. 4 phases of painting depending on bid.

Kay – Merchandising: Put out a request for Boosters Committee to assist where needed in the merchandising booth since both Don and Kay will be out of town and Maggie and Jim run the information booth. Ball caps, aprons and charms have all been ordered. Gift baskets will be ready and prepared for the 4th of July celebration to give to the Governor and the Wilsons.

Meeting was adjourned and the next meeting will be held on Thursday, July 17, 2014 at 7:00pm.

Boosters Committee Meeting 7-17-14

In attendance: Doug Jenkins, Don & Kay Whitehead, Jim & Maggie Fugitt, Caleb & Natali Steil, Craig & Nancy Simons, Jack & Holly Zenger, Kim & Jean Hoover, Fred & Lani Thomas, Aja Mills, James Hendrix, Chip & Kathey Maxfield, Ellen Bonner

Meeting brought to order by Doug.

Invocation offered by James.

Minutes were approved with the condition that the Christmas Party budget would be discussed later. An opposition was made regarding the Christmas Party budget that was stated in the minutes of \$2600.

Aja's daughter is doing well.

After Swiss Days, Andy Pierce will go through the red tent frames behind the cannery to decide which one's go and which one's stay. Nearby cities have stated that they want some of them, this will also allow us to use them if we needed to.

Tonya created a "draft" of the "Midway Boosters Micro-Grant Application". This will allow the committee to allocate funds in a more effective and fair way. It was decided that the document needed further discussion and review during the next boosters meeting.

Mickey Oksner from the Friends of Wasatch Mountain came to give a presentation on their request for money. They are sponsoring a golf tournament on September 12, 2014 to raise money for a fish cleaning station. The cleaning station would cost approx. \$40k. A lengthy discussion was had regarding whether this would be a wise thing to donate money for. Whether a cleaning station would really be beneficial and would it be beneficial to the community. After much discussion, it was decided and voted up to donate \$500 to the Friends of Wasatch Mountain and they could allocate it however they deem effective. It was agreed that they provide a great service to the community and are an "all volunteer group" which is wonderful.

Discussion regarding Marilyn Larsen and Charlene Johnson and what to do to show appreciation to them for the years of service they have provided to the Swiss Chorus. It was decided and voted upon that having a plaque made to recognize them that they could display would be a good thing to do. They cost approx. \$40 each.

Parade: Using the same route, coming up with a solution to keep parade moving along so that it doesn't get backed up, sound, and signs for the cars. Looking in closet to see if there are signs. Doug calling to setup a meeting with previous parade committee chair to clarify some questions about logistics. Applications are coming in still.

Merchandising: New product this year is the first official Swiss Days T-Shirt. They will be sold for \$10.00. It is anticipated that they will be a popular item. All orders are on schedule for delivery/pickup. Merchandise tent setup will be at 4:00pm on Tuesday, September 26th. More help is needed in the merchandise booth, sign up went around the table. Will be storing merchandise stock in the ice house next to the boosters tent.

Don – Hot spot and ipads getting setup for Swiss Days. Finances: Brief overview of monies in both the checking account and money market account. Mentioned that merchandising will be over budget by \$2k.

Ellen & Larry Bonner accepted responsibility to spearhead recruiting new committee members.

Christmas Party – Zenger's volunteered to have the party at their home. Tonya will research and procure catering for the event and won't exceed \$750.00. A vote was taken and approved on this amount. This amount of \$750.00 is instead of \$2600.00 as previously stated.

Aja working with the advertising committee for Swiss Days. Gift bags will be made with items from the merchandise inventory.

Information Booth: Fully staffed, signage made, ready to go. Detail was given regarding the new Swiss Days shirts that will be sold by the merchandising committee. This was a request made by the President of Swiss Days, Andy Pierce. Everyone is really excited to be able to offer shirts for purchase to the vendors and public.

Cannery: Bids are being obtained regarding the parking lot, several areas in the cannery have now been painted. Looks really nice. No lead was found in the paint.

Doug going around to all Swiss Days Vendors to welcome them. He is also hand writing a thank you card for each entertainer and each food booth chairman. Kathey, Jack & Holly, Ellen, Maggie and Fred have agreed to help going around to each vendor booth.

Creche: Important event to be discussed during the September boosters meeting.

Meeting was adjourned and the next meeting will be held on Thursday, September 11, 2014 at 7:00pm.

MIDWAY BOOSTERS SHIELD

Midway Boosters is a nonprofit corporation which is in charge of Swiss Days, Swiss Christmas, the July 4th Patriotic Program and other community events. The Board is composed of approximately 30 members from diverse walks of life and varied backgrounds who come together as volunteers to perform valuable service to the Midway, Utah community.

Midway Boosters Host Swiss Days 2014

The Midway Boosters "flagship" event, The Annual Swiss Days, was held on Labor Day weekend. Blessed by beautiful weather, the crowds were large on both Friday and Saturday. Unfortunately, there is no way to accurately monitor the number of visitors Swiss Days attracts to Midway. Between Swiss Days and The Sheep Dog Festival at neighboring Soldier Hollow, many people got to see firsthand the beautiful valley we are fortunate to live in. A special thanks goes out to Andy Peirce as chair-

man and his entire Swiss Days Committee. It is equally difficult to estimate the number of volunteer service hours required to put on a community celebration of such a magnitude. Thanks to everyone who participated!

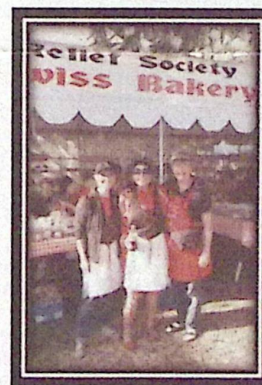

We now look forward to our next sponsored events, the combined Swiss Christmas and Creche Exhibit to be held on Friday and Saturday, December 5th and 6th, 2014.

This has become a magical holiday "kickoff" weekend. Swiss Christmas will be held in historic Town Hall and will feature merchant booths displaying holiday gifts for sale,

and all day entertainment on the stage. The Crèche exhibit will be held in the Community Center where numerous nativity scenes will be displayed. While not of the same magnitude as Swiss Day's, organizing the Crèche exhibit requires a large number of people. If anyone is interested in helping, please contact Tonya Hoopes, Committee Chairperson, at 281-871-1584.

Also on Town Square will be a heated tent serving delicious food and warming drinks for visitors to stop by and enjoy. The addition of the food tent was a new and welcome addition last year. Additionally, ice-skating will be available at Midway's Community Skating rink also on Town Square. Please mark your calendar now and plan to invite your friends and family to join with you and us for this special weekend.

Thank you, *~ The Midway Boosters ~*

Greetings

To begin, let me preface this e-mail by indicating that I trust this will be received at least by each couple serving on the Midway Boosters. While I have addresses for most of you, I may not for every one of you so please share with your spouses if they didn't receive it.

Our November Board meeting will be held on Thursday, November 13th at 7:00 PM and will be preceded by an Executive Board Meeting at 6:30 PM. Major topics of discussion will be: 1) ratification of new Booster members 2) elect officers for the year 2015 3) discuss plans for both Creche and Swiss Christmas, 4) discuss "Friends of Midway", and 5) discuss our Christmas Social.

Some of those agenda items require some advanced preparation. That is particularly true of "Friends of Midway". Kevin Snow has conceived this concept and it is a fantastic idea. The Midway Boosters sponsor so many programs and events throughout the year that we really can use more people to staff them and carry them out. Creche is a classic example of us needing additional people. Consequently, we plan to compose a list of Midway residents that are willing to help us as the occasion arises. While not requiring the time commitment of Booster Board Members, it will still afford opportunities for community minded residents to be involved in bettering this great community that we live in. Potentially, some of those may eventually transition over to Board Members after having served as a "Friend of Midway".

I bring all of this up because we need your help compiling such a list. We already have a few people who have consented to help, but we need many more. Between now and our Board Meeting, would you please give this idea some thought? I suspect each of us will have names come to mind of people who would be ideal to serve in this capacity. As you do, feel free to approach them and ask them if they would be willing to participate. We at least need some type of "vetting" process to occur to determine interest in Friends of Midway. If they respond in the affirmative, simply get their names and all of their contact information (address, phone numbers, e-mail addresses) and bring it to our meeting. We envision this group to consist of 30-45 people (maybe even more) so we could each submit a couple of names.

Our by-laws state that we should elect officers for the upcoming year at our December meeting. In years past, we have basically eliminated our December meeting in lieu of a Christmas Social. To comply with the bylaw requirement, we will have the election at our November meeting. Nominations will be entertained, a vote will be taken, and results will be announced. We will elect a president, vice president, treasurer, and secretary.

It is hard to believe that this will be our last regular Board Meeting for 2014. I look forward to preparing for a delightful "Christmas Kickoff Weekend" with The Creche and Swiss Christmas and to then celebrate the season with you at our Christmas Social. Just a reminder, the Social is scheduled for Thursday, December 11th at 5:30 PM. 🎄 Please also remember our decorate Town Hall date of Saturday, November 22nd.

Thank you for all of your service. We are all busy people and the time you devote to The Midway Boosters is greatly appreciated. 😊

Sincerely,

Doug Jenkins

Dear Booster Board Members:

I want to personally thank everyone who helped in the past couple of weeks 1) decorating Town Hall for the holidays, 2) setting up for Swiss Christmas, 3) working on Friday and Saturday in various capacities including the merchandising booth and in the food tent, and 4) with the "take down" Saturday night. A special thanks goes to Kim and Jean Hoover who served as chairpersons for this event. There is no way we could sponsor such a huge event without all of your help. I feel like it was a success but, as always, there is no way to know the actual number of visitors we had.

Our Christmas Social will be this week on Thursday, December 11th at 5:30 PM at Zermatt. That will allow us to celebrate the Christmas Season and also thank you for a year of hard and yet gratifying work. We have contacted each of you to get a RSVP and sent that number to Zermatt—we estimate 47 people to be in attendance. As previously indicated, I would appreciate it if you would take it upon yourselves to befriend either a new Booster Member or a city official and include them at your table so that we can make them feel welcome and get to know them better. All of the new Board members are expected to attend as well as nearly all of the city council and the mayor.

Please know how much I appreciate each one of you.

Sincerely,

Doug

A Message from the Midway Boosters

As the year 2014 draws to a conclusion, the Midway Boosters would like to thank each of you for your participation in the events we have sponsored this year. We feel we have sponsored several large events that require a tremendous amount of work and effort. I am often asked how such a small community puts on such quality events. The answer lies in the fact that the Booster Board organizes them and the Midway citizens lend tremendous volunteerism support in carrying them out.

During this past year, it has become evident to us what busy lives we all lead.

At times, that has created time restraints on the Board members as they attempt to balance all that they have going on.

To that end, we need and welcome support from the community as a whole. Consequently we have created a new group that we are calling "Friends of Midway". Many of you have come forward and expressed a desire to be involved in community service and yet do not have the time to serve on the Board at this juncture of your lives. It is anticipated that Friends of Midway will serve as an excellent place to render some community service without the time requirements of a Board member.

Basically, we are composing a list of those willing to serve and we will then contact them as the need for help arises. Kevin Snow, 2015 Booster Board President, is currently compiling such a list. If you have interest in serving on the Friends of Midway committee or have further questions, please contact Doug Jenkins (801-557-4367) or Kevin Snow (801-319-7112). We would welcome your support and help. We are all fortunate to live in such a beautiful mountain community that has such a plethora of wholesome community events occurring year around. Simply put, I love this community that we live in.

It has been a pleasure for me to function as President of the Booster Organization this year.

As indicated, Kevin Snow will serve as President for 2015 with the Executive Board consisting of Chip Maxfield as Vice President, Larry Bonner as Treasurer, Nancy Simons as Secretary, and Doug Jenkins as Past President. Twenty-five other Midway Residents will round out the Midway Boosters' Board.

Finally, in December, the Boosters were able to purchase a new, black, Yamaha baby grand piano and place it in Town Hall. It was used extensively during the holiday season and will be used by various performing groups in the future. Look for it the next time you attend a performance in Town Hall. It is beautiful! Thank you. ~ Doug Jenkins, Boosters President 2014 ~

Small Town Swiss Christmas

Once again, the annual Swiss Christmas events were a success, and the City would like to thank each and every one of you for supporting Local Businesses. Enjoy these pictures from Swiss Christmas, the Town Party and the City Tree Lighting.
